

CPCU SOCIETY *Insuring Your Success!*

Scholarships offered

The Central Jersey Chapter of the CPCU Society

The CPCU Society, a nationwide organization of Insurance and Risk Management Professionals, promotes continuing education, professionalism, research, high ethical standards and community service by property-casualty insurance professionals. The Society members believe in the value of education and have or are in the process of earning the prestigious CPCU (Chartered Property Casualty Underwriter) designation. The CPCU designation is conferred by the American Institute for CPCU to those in the industries that have developed expertise, and pledge to abide by an enforceable code of professional ethics.

The Central Jersey Chapter of the CPCU Society has a Scholarship Program which offers a \$1,500 scholarship to each of two students. Priority will be given to those students who are seeking a career in insurance or an insurance related field. Matching funds *may* be available from the Loman Foundation, part of the National CPCU Society.

Eligibility requirements:

The Applicant must be an Active Member of the Central New Jersey CPCU Chapter, the Spouse, Child, Grandchild, Stepchild or dependent of an active Chapter Member.

The Student must be enrolled or accepted to, and planning to attend, an accredited two or four year college or vocational school; not have been awarded this scholarship in the past; and not been the recipient of full financial aide or any other full scholarship.

Prior unsuccessful candidates may reapply.

Please see the next page for the application instructions and do not hesitate to contact me if I can be of assistance.

The **Loman Foundation** may provide matching scholarship funds to complement the funding from the Central Jersey Chapter of the CPCU Society. The goal is to foster insurance and risk management education at the college level and encourage students to pursue the Chartered Property Casualty Underwriter designation.

The Foundation requires the following:

1. The student has demonstrated success at the college level;
2. The student has completed a minimum number of credit hours to be classified by the educational institution as a sophomore; and
3. The student is pursuing courses leading to a degree in insurance, risk management enterprise risk management, risk management for public entities, *or* if no similar degree is offered, the student is pursuing courses in these fields at the time of the request for scholarship funding.

Individuals currently employed in insurance or the risk management industry and taking one or more courses related to insurance or risk management may be eligible as well, and should complete the attached document.
